WELCOME TO BROUGHTY FERRY GALA WEEK 2026! STARTING SUNDAY, 5TH JULY

We're delighted to welcome you back to Broughty Ferry Gala Week, returning to Castle Green on **Sunday 5th July 2026** and continuing with a packed programme of events throughout the week. Once again, we're bringing together our community for a vibrant, inclusive celebration for all ages.

A huge thank you goes to our generous **2026 sponsors**. In a time when local support matters more than ever, we're incredibly grateful to the businesses who continue to stand behind Gala Week. Special thanks to **Gillies** for their long-standing commitment, as well as **Fort Street Motors**, **Brook House**, and **45 Hound Black** for their valued support.

Everything we raise during Gala Week, and across events run by the Broughty Ferry Traders Association (BFTA) throughout the year, goes straight back into the local community. This includes funding Broughty Ferry's Christmas Street Light Displays, proudly provided by the BFTA, as well as supporting local primary schools through initiatives like Coats for Kids and food voucher programmes.

We'd also like to thank all BFTA members, past and present, for their continued dedication.

Gala Week images courtesy of Victoria Sanches
@Victoriasanchesphotography

Your support makes not only Gala Week possible, but so many other events across the year. We're equally grateful to Dundee City Council for their ongoing guidance and partnership.

Most importantly, thank you to our incredible **Gala Team**, our organisers, volunteers, and helpers. Your energy, time, and commitment are what make this week such a success year after year.

If you're a local business interested in joining the BFTA, or if you'd like to get involved as a volunteer, we'd love to hear from you. Please get in touch at secretary@visitbroughtyferry.com

Wishing you all a fantastic summer in 2026, we look forward to seeing you at Gala Week! Be sure to explore the full programme and come along to celebrate everything that makes Broughty Ferry such a special place.

Warm regards,

Simeon Stewart

THE RULES

Broughty Gala Week's *legendary* **Window Guessing Competition**, first started way back in 1932, and the rules are exactly the same today! All the participating shops and businesses are members of The Broughty Ferry Traders' Association, and have displayed in their windows an article which they do not sell. The object of the competition is for young people (under 14) to look at the windows and discover what the 'odd' article is. For instance in the Baker's shop you might find a teapot or in the newsagent, a paint brush. **Remember, sometimes it will be hard to spot, but children should not go into shops and ask for clues!** The participating shops have a Red Diamond with a number on it in their window, which corresponds to the number on the entry form on the following page.

YeAABA – Ye Amphibious Ancients Bathing Association (1884 – 2026) - 142 Years of an Open Water Institution

Founded in 1884 in the Broughty Ferry area of Dundee, Scotland. Ye Amphibious Ancients Bathing Association, known colloquially as 'The Phibbies', are a voluntary organisation with around 100 members and hold Scottish Charity Status (SC040107).

We are affiliated to the British Long Distance Swimming Association (BLDSA).

The Phibbies retain a passion for open-water swimming which has been the main part of its identity since those far off days of swimmers that would go for their regular daily 'Dook' (before the regular use of indoor swimming pools) from Broughty Pier into the River Tay.

The organisation is unique in being the only one of its kind left in the country.

Today, the organisation arranges and hosts a variety of open-water swim events with a summer programme of routes/courses to offer a different range of challenges attracting swimmers from the UK, Europe and beyond. The swims are organised for all ages and there are competitive and non-competitive events. 'Phibbies Rules' are applied such as; No Wetsuits please!

The premier events that attract the most numbers of participants (and spectators) are the Discovery Mile at the height of summer and the New Year's Day Dook on Jan 1st, which continues to go from strength to strength. The 2027 Dook will be at 10am and registration is ON LINE ONLY. Registration closes on 07 Dec 2026.

You can book here - <https://bookwhen.com/yeaaba1884>

As safety is the main concern at all times there is a great need for assistance from technically trained and qualified volunteers to allow our swims to even take place and it is for this purpose that we rely heavily on goodwill. As mentioned previously, we hold charitable status and are very active on the recruitment of volunteers and offer opportunities to gain many worthwhile skills.

At each swim event, swimmers are accompanied by our small boats (with boat handler and lifesaver) as well as having our fleet backed up by a two high speed rescue craft. We therefore run boat handling courses and lifesaving certification as part of our offering.

Find out all about us, including our swims and training dates, by visiting <https://yeaaba.org> or contact communication@yeaaba.org by email.

We started with just the two of us, Danielle (Dee) & Col, who have always been passionate about leaving only a positive impact on our planet. With the growing concern about the amount of plastic in our environment, we felt like we could play a small part in eradicating plastics from our seas and beaches.

Now, though, we have a dedicated team and a lot of regular Beach Cleaners (that we call Eco Warrior Wombles), who help rid the oceans of rubbish. We are welcoming newcomers every month, which is brilliant to see, and **EVERYONE IS WELCOME!!**

BEACH CLEAN STATION

Located inside the entrance to the Beach Windmill Toilets.

Anyone can borrow a picker and a bag to do their own mini beach clean.

The Beach Clean Station is only possible due to fundraising, and we are very grateful to everyone who has helped us make this happen.

BEACH TOY LIBRARY

You can find the Beach Toy Library by the beach steps on the sand.

Packed with donated toys for everyone to enjoy.

Broughty Ferry Traders were at the forefront of this, and it's great to be involved with this brilliant project.

PLASTIC FREE COMMUNITY AWARD

We are very grateful to be part of Surfers Against Sewage (S.A.S.), who support us and provide us with bags and gloves.

We are very proud to say that we have recently gained Broughty Ferry a SAS PLASTIC FREE COMMUNITY AWARD. This involves local groups and businesses signing up to reduce or eliminate single-use plastics.

OUR MISSION

Our mission is to bring people together on a journey to tackle avoidable, single-use plastic. It's not about removing all plastic from our lives - it's about kicking our addiction to throwaway plastic and changing the system that produces it.

We're seeking members to join our friendly and enthusiastic community to help us drive our campaign forward.

If you are interested or would like more information, please send a message for more details.

THANK YOU! ♥

From all the PFBF team, we want to give a heartfelt **THANK YOU** to the whole of the community and beyond for all your support over the years.

We would just like to thank everybody who has contributed and attended the Plastic Free Broughty Ferry Beach Cleans. The community spirit is amazing, and we feel lucky to be a part of it.

Thank you, xx

Dee, Col and the PFBF team ♥
